

## Bullett Proof Baseball and New Era

### **2008 SUMMER BASEBALL DEVELOPMENT PROGRAM**

Bullett Proof Baseball and New Era are proud to host the Baseball Development Program. The program is geared to 10 and 11 year old players, as well as exceptional 9 year olds.

#### What is the Program?

1. Players will play 10 games over the course of the summer and receive onfield instruction from Bullett Proof Baseball's head coach Scott Bullett and his coaches.
2. Two teams will play every Friday night from 6:00pm until 8:00pm
3. Players will be hand selected by Bullett Proof Baseball Academy and each team will be limited in the number of players in order that all players will play equally.
4. Every player receives a New Era hat and tshirt
5. First half of the session will use the pitching machine so that each player is able to maximize their at bats and learn to consistently hit the baseball. During this session we will train pitchers on the side so they are ready to throw in game situations.
6. Second half of the session we will have the pitchers throw to the batters.
7. ALL players will play in every game
8. We will have players playing in various positions in order for them to learn all the positions and be trained in those positions.
9. We will supply baseballs and bases for each game, players will be responsible to provide their own helmets, gloves, bats and any other equipment they need.
